Following a question from Commissioner Beasley-Brown regarding concerns about the increased rate and whether the Housing Authority could allocate the Fiscal Year 2028 rate of \$66,000, Katie Miller of the Housing Authority stated the Housing Authority did not have the ability to obtain additional funding from the Department of Housing and Urban Development (HUD). Commissioner Bailey asked if a different rate could be set or if the timeline could be increased from four (4) years to six (6) years.
